

# THE LEARNING VINE

Billericay: 01277 621515

Wickford: 01268 762815

## WHAT'S COMING UP?

With half term, and Halloween around the corner, we thought it would be fun to suggest some spooky and autumnal activities below! If you would like to participate, please bring in your fabulous creations or projects to your teachers – we would love to see them! Please also email them to us so we can put them on next week's newsletter and show them off in our centres too!

Can you build your own Halloween snack board with creative treats like spider sandwiches and ghostly crackers?

Can you make and write the best hot chocolate recipe? We'd love to try it!

Can you go outside and create some art with leaves that have fallen?

## UNBE-LEAF-ABLE WORK!

### Writing

Well done to Farrah who worked well towards poetry this week. She understood how to annotate an unseen poem thinking about the context, language and structural analysis. There were some tricky concepts and she did so well. Well done you!

### Maths

We are super proud of Mipo for his hard work in maths. He wowed us with his understanding of word problems and his determination to tackle tricky two step combinations. No little trick was getting past him! Well done we are so impressed!

### Reading

A huge well done to Peyton who has been working hard towards An Inspector Calls. Peyton has made so much progress in her PEEKER paragraphs, ensuring she uses context and embedded quotes too. Keep it up Peyton, you are smashing it!

## WINNERS OF THE WEEK!

### Trophies won!

Well done to our fabulous winners this week!

### Raffle winners..

We are seeing a larger amount of you completing your homework and entering the homework tombola!

Well done to Lola for winning the homework tombola this week!

## A NOTE FROM TUTORS

Thank you to all those who have booked onto our Wizarding Week in October Half Term. We are so excited to begin learning with you and have some fun. If you have not yet signed up, there are limited spaces still left!

Thank you,  
The Kip Team
