UNBE-LEAF-ABLE WORK!

Writing

Isaac from our Wickford centre has written a fantastic critical essay this week. He has been working hard towards understanding GCSE style essays for Jekyll and Hyde and Romeo and Juliet.

Well done Isaac!

Maths

Caitlin, from our Billericay Centre did incredibly well whilst learning about powers in maths. She challenged herself alongside her tutor, Ruth and asked engaging and insightful questions about problem solving too.

Well done Caitlin!

Reading

Inference is hard but Caitlyn from our Billericay centre, did a fantastic job understanding and reading personified sentences. She really challenged herself and worked incredibly hard to understand the imagery too.

Well done Caitlyn!

PUPIL VOICE

Name: Teddy

I love doing my times tables in my sessions. I love singing to the songs and I've used my 7x tables when I've been in school. My teacher was really impressed.
