UNBE-LEAF-ABLE WORK!

Writing

We are incredibly proud of Emmy-Lee and her progress in her writing. She has been learning how to structure critical paragraphs in a GCSE format and she has taken this in her stride. Well done Emmy-Lee!

Maths

A huge well done to Jonah who has been working hard towards his maths, especially his geometry. He's even been asking for algebra in his sessions and we love his determination to succeed in this subject. Well done Jonah, we are so proud of you!

Reading

Imogen has grown in her confidence when reading a range of texts. We are so proud of all her hard work and determination, which meant she achieved 20/20 in her reading comprehension this week. Well done Imogen, keep it up!

WINNERS OF THE WEEK!

Trophies won!

A huge congratulations to:

- Danny for winning his silver medal
- Romany for winning her gold medal
- Lilian for winning her bronze medal
- Jessica for winning her gold trophy!

A special mention to LAUREN who has achieved 17000 points and a VOUCHER!

PUPIL VOICE

Name: Finley

I have liked revising for my mock exams. Finding different quotes for each theme and character has helped me understand the texts more and has helped my confidence too.
