A NOTE FROM TUTORS

Well done to all our students who have completed sessions during this heatwave after a hot day at school! Our centres are kept cool with air con and fans but we have appreciated our Kippers upbeat attitudes and readiness to learn, nevertheless!

Thank you,
The Kip Team

BILLERICAY FRONT DESK

We would like to let you know that unfortunately, Angela will be away from work for the next couple of months. We look forward to welcoming her back soon!

During this time, Lauren and Jo will be managing the Front Desk at our Billericay Centre between them. They will be answering phone calls and responding to emails but, as they will be managing these responsibilities alongside their usual roles, response times may be a little longer than normal.

If you are having difficulty reaching someone by phone, please send an email on the main address: billericay@kipmcgrath.co.uk and a member of the team will get back to you as soon as possible. Alternatively, please contact Paula at the Wickford centre.

Thank you for your patience and understanding during this period.
