REVISION TIP!

11 weeks
until GCSE
exams start!

Plan to revise specific topics, not whole subjects.

Instead of "Revise Maths," write "Revise quadratic equations" or "Practise factorising." Focus especially on your weaker areas — not the topics you already feel confident with.

Clear, targeted revision saves time and builds real progress.

February Affirmation

In this shorter month, I focus on what truly matters. Like the season changing, I am growing and moving forward. With love, warmth, and steady effort, I make meaningful progress every day.

Remember to book a space on our website if you would like your Year 4 child to sit an **11+ Mini Mock** over half term!
