

THE LEARNING VINE

Billericay: 01277 621515 Wickford: 01268 762815

AUTHOR OF THE MONTH: JULIA DONALDSON

The Author of the Month for May will be Julia Donaldson! Her much-loved books often feature in children's earliest memories of sharing stories. Their popularity endures due to Donaldson's captivating tales, inspiring characters and memorable rhymes. Why not borrow a Julia Donaldson book from one of our centres to read at home? Let your tutor know which is your favourite - have you read them all?

A NOTE FROM TUTORS

Please remember that both our Billericay and Wickford centres are closed on **Bank Holiday Monday: 4th May**. Lessons resume as usual from **Tuesday 5th May**. We hope you all have a wonderful Bank Holiday Weekend!

Thank you,
The Kip Team

PARENT SURVEY

Enter to Win

We value your feedback enormously and would really appreciate you spending a few minutes of your time sharing your views with us! Please check your email or follow [this link](#) to complete the Parent Survey. Please leave your email address on the final question to enter yourself into a draw to win £100!

FEEDBACK

Tutors provide feedback to parents after every session. To read about what your child has been working on and how they got on in their session, simply log into [Parent Portal](#).

REVISION TIP!

GCSE exams start this week!

Good luck

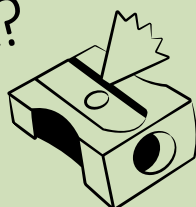

We would like to wish all of our GCSE students the very best of luck in their exams! Although the core subject exams don't start quite yet, exams for some subjects are already underway.

As the exam season begins, focus on the subjects with the earliest exam dates. This ensures you're fully prepared when those exams arrive, rather than rushing last-minute. Work backwards from each exam, giving yourself enough time to review content, practise past papers, and revisit weaker areas. Once an early exam is done, you can shift your full attention to the next subject without feeling overwhelmed.

CAN YOU SOLVE THIS RIDDLE?

Have a go at the riddle below! Can you solve it? Check next week's newsletter for the answer!

What gets sharper the more you use it?

Last week's answer: A Clock!
