OUR AMAZING STUDENTS!

A NOTE FROM TUTOR

As the weather is heating up again, we encourage all our students to bring a **bottle of water** to sessions to help them stay cool and hydrated - no juice, squash or fizzy drinks, please!

Thank you,
The Kip Team

SHOUT OUT!

WELL
DONE

Daniel in Year 4 has wowed his tutor, Sharon, with his determination and perseverance! His hard work paid off as he has now mastered division problems! Well done, Daniel - we are so proud of you!

SUMMER PROGRAMME

The details of our Summer Programme of workshops has now been finalised. Please visit our [website](#) to find a workshop that will suit your child and to book before spaces get snapped up! The workshops are in addition to your child's normal

Kip sessions and will need to be booked separately. Whether you're looking for some extra focus on 11+ preparation or for some fun with STEM, there will something for everyone!

SUMMER SESSIONS

Don't forget to let us know if you need to change any dates or times of your child's summer sessions!
