A NOTE FROM TUTORS

We have one week of term left before the Easter Holidays! Didn't that term go quickly?! We are so impressed by the continued enthusiasm of our students right through until the last day of term!

Thank you,
The Kip Team

EASTER FUN TO TRY AT HOME!

Why not try some of these activities at home to celebrate the arrival of Spring and the imminent festival of Easter?

- Spring Nature walk to spot flowers and animals!
- Making chocolate nests as a delicious treat!
- Reading a book about Spring or Easter in the Spring sunshine!
- Egg decorating with paint, stickers or dye - hard boil them first!
- Set up an egg-rolling race or egg-tapping game with your decorated egg!
- Easter egg hunt - works well both inside and outside!
- Chick paper plates, with yellow paint and googly eyes!

We would love to see or hear about any of these that you try! You are very welcome to email in a photo of your creation or activity to share with your tutor!

REVISION TIP!

6 weeks until
GCSE exams
start!

Taking breaks and getting enough sleep are essential for effective revision. Breaks help you stay focused and avoid burnout, while sleep allows your brain to store and recall information. A well-rested mind performs much better in exams than an overtired one.
